SPECTRA

Just as a ray of light passes through a prism and is refracted into a series of colors to form spectra, the Monocle like a prism will show the spectra of the school by presenting to you the different aspects which make up our school.

Our academic and business life, music, home economics, and athletics are just a few of the many images that form the spectra of our school, which is the focal point in our lives which aids in the building of strong characters.

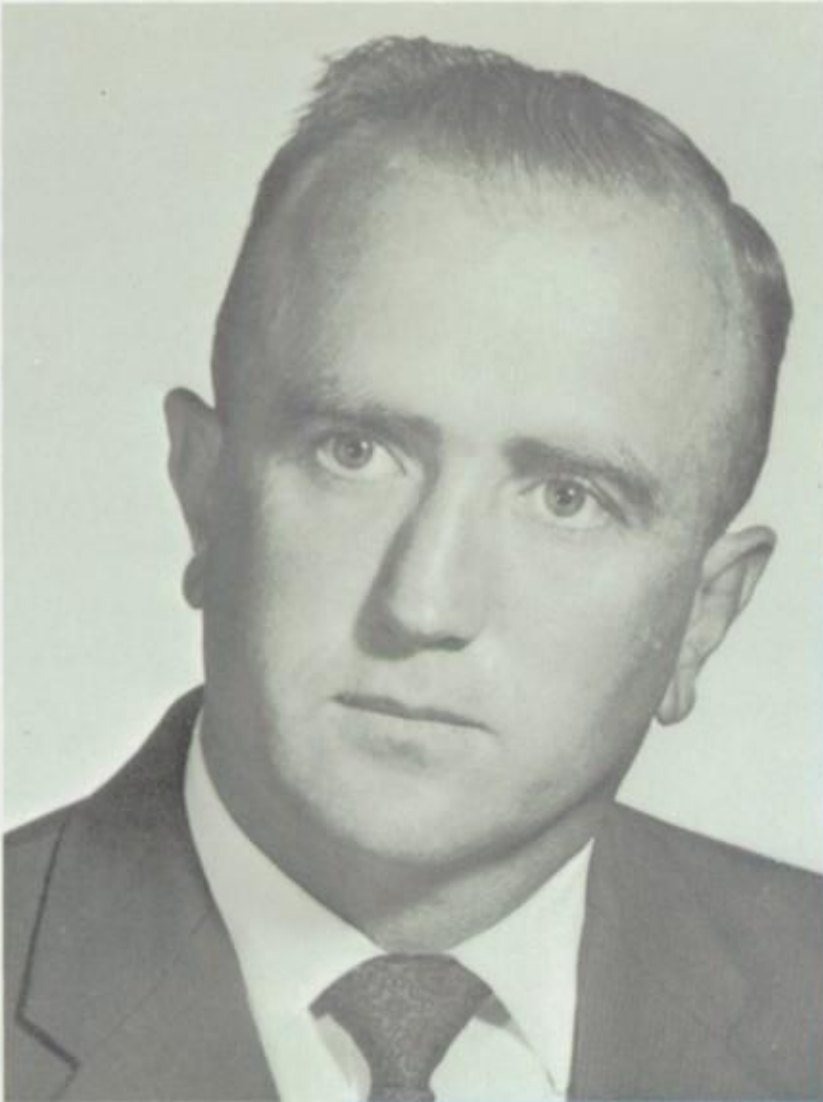

IN MEMORIAM

With a feeling of reverent respect, we of the 1964 Monocle staff dedicate this page to the memory of John Fitzgerald Kennedy, our 35th President, who lost his life in service of his country. He was a man dedicated to his country and to free men the world over. Few people will soon forget this young man from Boston, whose enthusiasm, dedication, and ideals of democracy will be evident in the annals of history.

DEDICATION

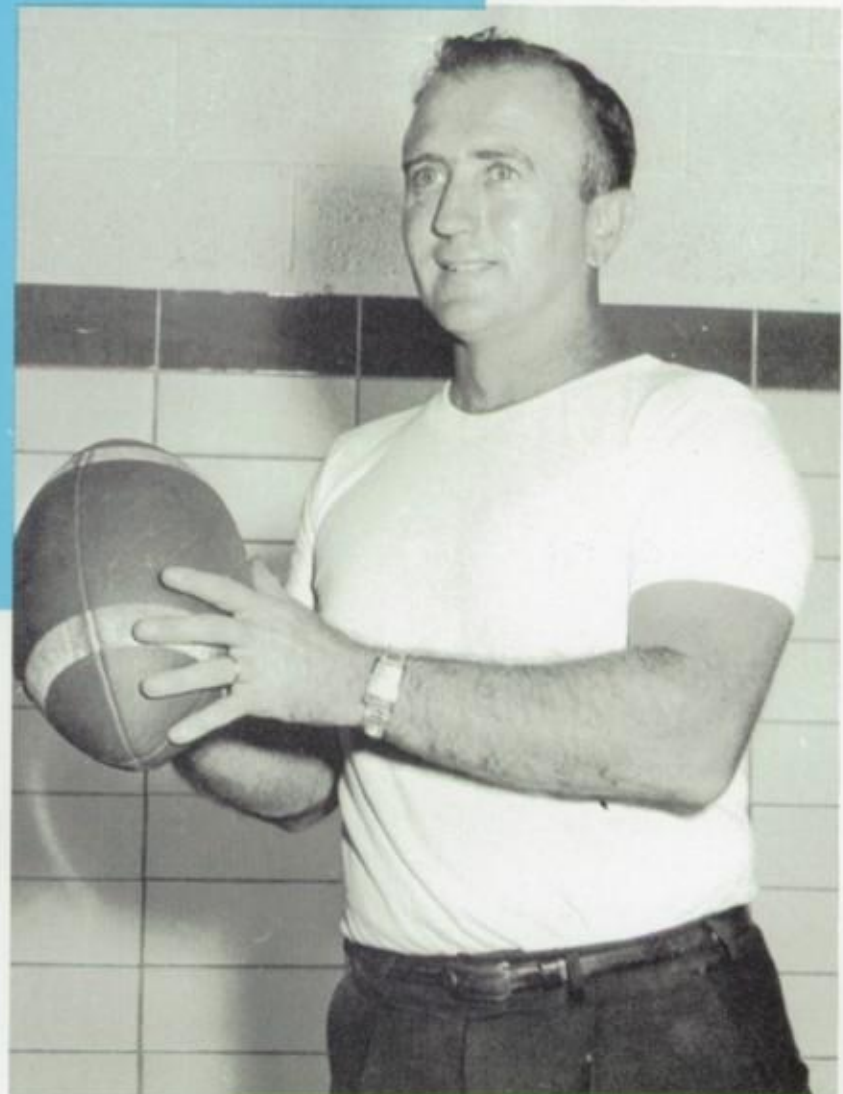

Charles Sullivan

To a man who lives before us in a silent manner but has set a wonderful example to all who have been under his leadership or in association with him in any way . . . To one whose qualities of friendliness, loyalty, and sportsmanship have won a place of high respect, deep admiration, and warm affection among both the student body and the faculty . . . With deep appreciation for his service to us as a teacher, friend and coach, we dedicate this, the 1964 Monocle, to Coach Charles Sullivan.

Here he is in his "Y. A. Tittle" hat.

A.F.S.

Pointing out Italy and Turkey on the globe are Sergio Burani and April Pearce. Sergio is our exchange student from a village in northern Italy who is spending the school year with us. April spent six weeks during the summer with a foster family in Istanbul, Turkey. Both are in the American Field Service, an organization for promoting a better understanding between countries. Scholastic ability, leadership qualities and personality were the basis on which Sergio and April were chosen. Student Council, along with other clubs supports A.F.S.

Monroe vs. Williamsburg

The fighting Hornets opened their "63" season with an unknown rival, Williamsburg High School. The Hornet's new offense began to click early in the game and continued to do so as quarterback Skip Lewis connected with several passes. Fine running was displayed by fullback Don Jackson and halfback Don Peck. The game was a fine opener for the Fighting Hornets to show the fans that an exciting season was in store.

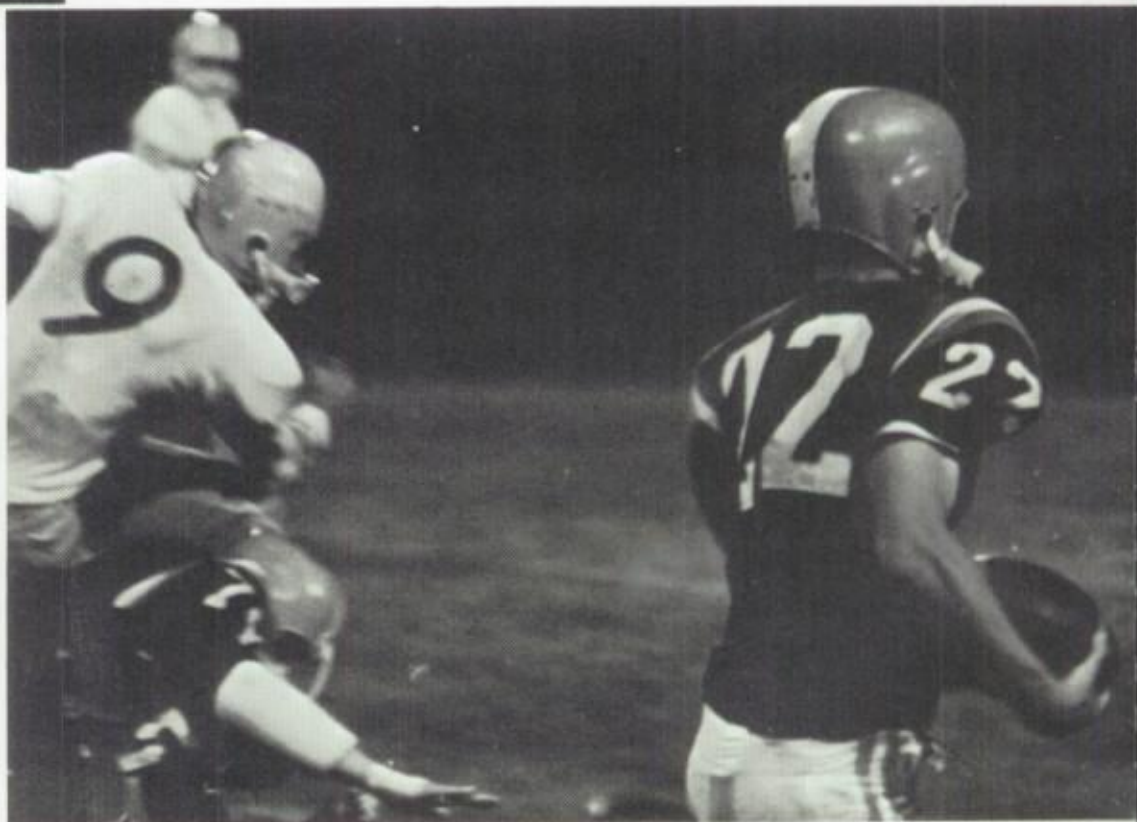

Monroe vs. Fenwick

September 13 the Hornets were up against a newcomer, Fenwick High School on the home field. The game was the second win for the Hornets, but it didn't come easy. The fine defensive work of Russ Amburgy and Roger Mowery held the Falcons to only one touchdown during the entire game. The wide open offense of the Hornets proved to be successful once more as Skip Lewis completed several passes and did fine work on the ground as well to bring home another victory for the fighting Hornets.

Monroe vs. Talawanda

The homecoming game for the '63 Hornets proved not to be a very pleasant occasion. The Hornets met their first defeat to the powerful Talawanda Braves. The game was hard fought all the way, but mistakes were costly and proved fatal. The Talawanda offense took advantage as the Hornet defense began to collapse during the second half of the game. As the time ran out, the Hornets found themselves on the short end and witnessed a heart-breaking defeat.

Monroe vs. Newport

This game was the fourth of the season. The Hornets played host to the first out of state team to compete with Monroe. The stubborn Wildcats showed little opposition to the Hornets by ending up on the short end as time ran out. The exciting Hornet offense proved once again to be dangerous but also successful. Fine team participation seemed to be the key as the Hornets brought home another victory.

Monroe vs. Lebanon

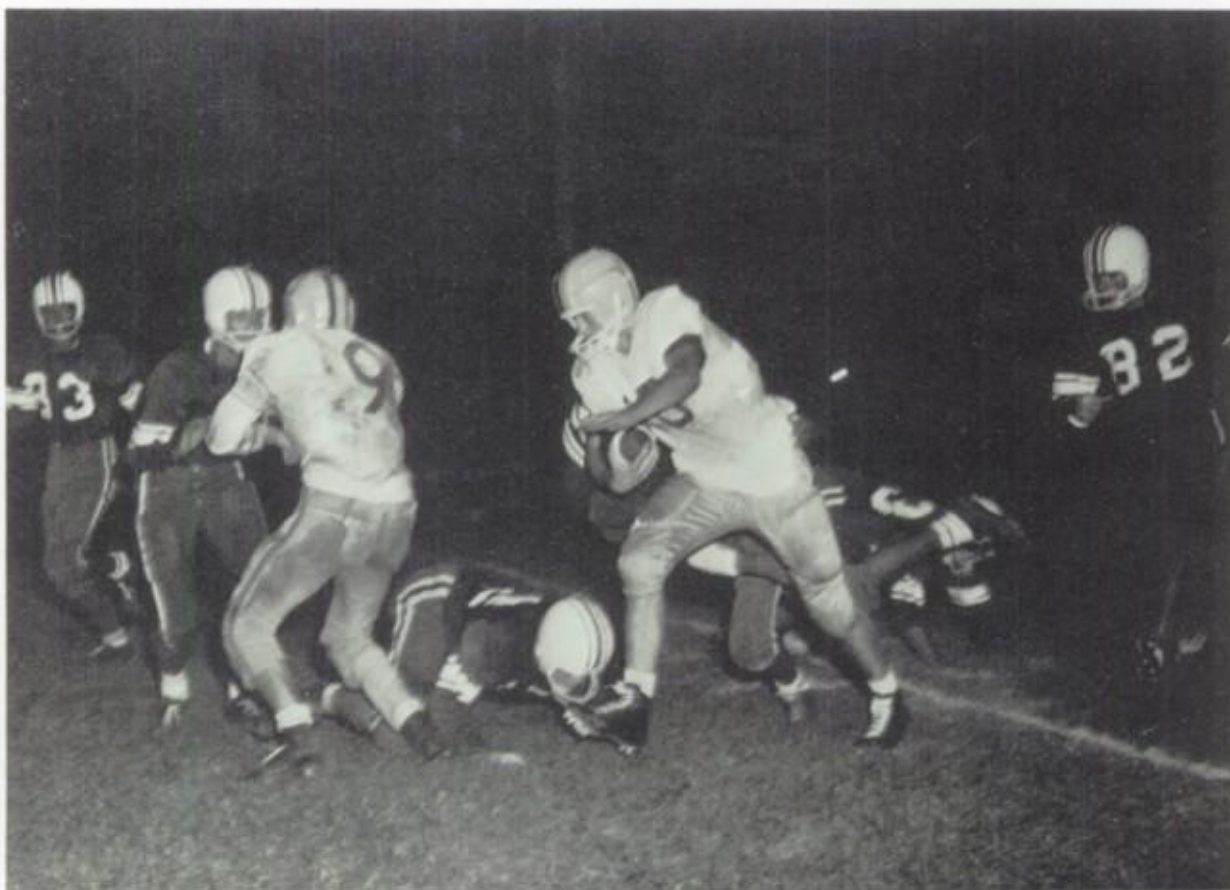

This was a disappointing road trip for the Hornets, as their efforts only resulted in a tie with the Lebanon Warriors. It was an exciting game and hard fought all the way. The Hornets, leading at the half, were unable to maintain the lead, as the Warriors went ahead late in the game. With only a few seconds remaining, the Hornets drove to their final touchdown which tallied the score at 38—36, Lebanon's favor. The extra point attempt was successful giving the Hornets just enough points to tie the score.

Monroe vs. Fairfield

The Hornets took the road again to bring home a victory for its school. The spirit of the fans as well as the team members seemed essential as the Hornets came out of a slump to go ahead and win the game. Fine offensive running was displayed by fullback Don Jackson as he made several lengthy runs for essential yardage. The game was close all the way, but the powerful offense led by Skip Lewis scored enough points to inch the game.

Monroe vs. Beavercreek

This game was the most distasteful one for the Hornets. The fine Beavercreek team displayed their ability on the grid-iron as they became victorious over the home team. The task seemed easy for the Beavers, as they scored early and easily, and continued to do so throughout the game. The Hornets began to score in the second half, but it was too late to tally enough points to match the foes' towering score.

Monroe vs. Xenia W.W.

The Monroe team not only played host to the Xenia Wilson Cadets, but to another defeat. It was anyone's ball game as the teams seemed well matched. Mistakes were costly to the Hornets, as the Cadets played a fine game, offensively and defensively. The Hornets also played a fine game, but unfortunately allowed a fourth quarter touchdown which the Cadets maintained until time ran out.

Monroe vs. Stebbins

The Hornets fell short again as they went up against Dayton Stebbins. The game was an exciting one as well as heart-breaking. Poor defensive play was costly to the Hornets. The game was well played by both teams, who fought all the way. This was the last game for the '63 Hornets on their home field, and was very disappointing as they came up on the short end.

Monroe vs. Franklin

The Hornets took the field for the last time against their rival foes, Franklin, with a strong desire to compile a winning season. The game was a close one all the way, as was the score. The teams fought hard to allow the other about an equal number of points. With only 25 seconds left the Hornet offense scored

the winning touchdown by an exciting run by Skip Lewis. The skillful Hornet quarterback ended his Hornet season in fine fashion by scoring two touchdowns and passing for a third. The Hornets did have a winning season by ending with a 5—4—1 record.

Marching Band 1963

"Westward Ho!"

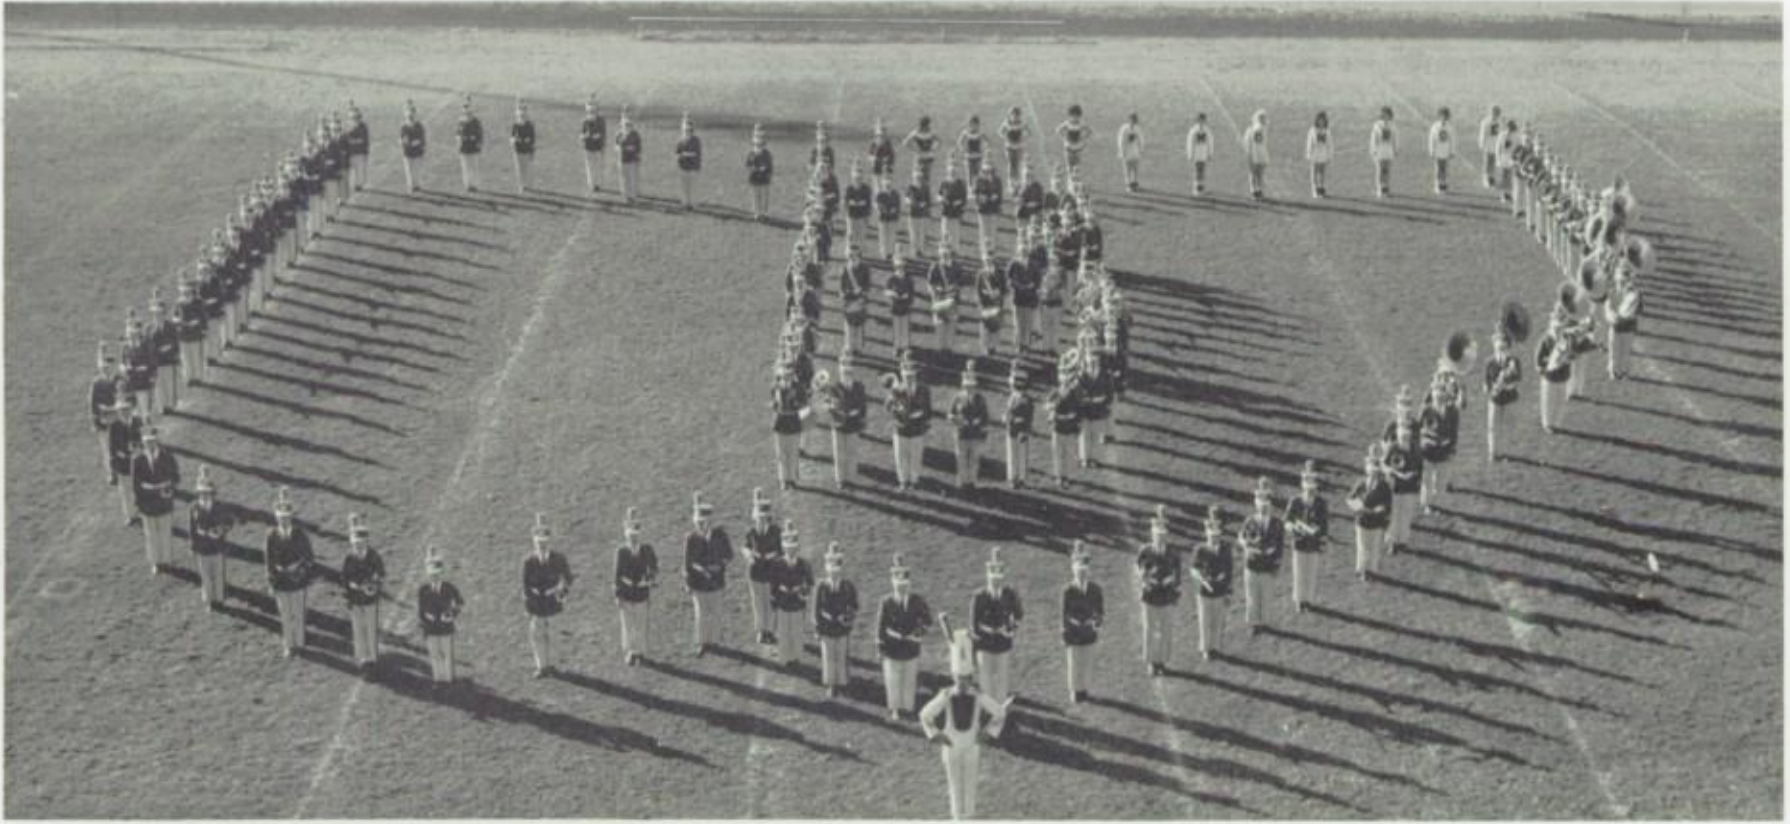

The marching band of 1963 was under the capable direction of Paul Morrow. They performed before all football games and presented interesting and entertaining half-time shows. The band played the school fight song after every touchdown the mighty Hornets made. After all victories they did the snake dance and played our inspiring fight song. All the members put a great deal of time and work into the project of making their half-time shows enjoyable. The marching band of 1963 played a vital part in our school life.
